FIRE OFFICIAL'S REPORT APRIL 2016 Fire District No.4

As of today, I have not heard anything from the Division of Fire Safety regarding of the transferring back the fire prevention duties from Fire District 8 back to Fire District 4. Marylain Kemp from the Division had contacted for an E-Mail address for the Keasbey Fire Prevention Bureau earlier this month which I did provide to her. (Keasbeyfbb@aol.com) The target date was originally set for April 1, 2016 when the new quarter starts. Until I hear otherwise, District 8 will continue fire prevention duties in District 4 as in the past until the transfer takes place.

Respectfully submitted,

Frank DellaPietro III
